Paying for Entrance Examination Fees

The steps to pay for your entrance examination fees are as follows.

STEP 1 **Preparation**

Make sure you have a computer, printer, etc. that are connected to the Internet.
(Smartphones and tablets are not recommended.)

STEP 2 **Go to the Entrance Examination Fee Payment Website**

From the website or from the university's official website

- <https://e-apply.jp/n/okayama-payment-jpn>
- <https://e-apply.jp/n/okayama-payment-eng>
- <http://www.okayama-u.ac.jp/tp/admission/index.html/>

STEP 3 **Register Personal Information**

Make sure to look over the steps and precautions, then follow the directions on the screen to enter your information.

Click the "Confirm / Print Completed Payment" button. Enter your receipt number (1), birthdate, and email address to log in, and it will show the information you registered with the website, as well as a file of your entrance examination fee payment certificate.

(1) Entrance exam, Graduate School, etc.

(2) Check to see you have received the tester email
Click the button to send the tester email and check the email address you registered to make sure you have received it. Then, place a check in the "Email Confirmed" box under your email address.

(3) Personal information (name, address, etc.)

(4) Complete registration
Make sure to write down or otherwise keep your 12-digit receipt number. You will need it to confirm your personal information and to access the file for your entrance examination fee payment certificate.

(5) Entrance examination fee payment methods

- Convenience store
- Pay-easy compatible bank ATM
- Online banking
- Credit card

(6) Entrance examination fee payment certificate (for illustrative purposes)

If you selected "Convenience store" or "Pay-easy compatible bank ATM" as your payment method, write down the number that is provided to you after the selection of the payment method, then go to a convenience store or Pay-easy compatible bank ATM to make your payment within the prescribed payment period.

A confirmation email will be sent to you after you complete your registration. If you have restrictions on your inbox, make sure to authorize our domain name (@e-apply.jp). Be aware that the confirmation email may accidentally be sent to your Spam box.

Make sure the information you enter is correct, as you will not be able to revise/change any of this information after registration is complete. You may, however, re-register the correct information and "revise" the information this way, as long as it is before you have made the actual payment. Be aware that if you chose to pay with your credit card, the payment will be made as soon as you register your personal information.
