O-NECUS Program 2022

O-NECUS program offers you an opportunity to study in our master's course, **"Health Sciences"** as a special auditor for one year. The Graduate School of Health Sciences accepts students with the following qualities:

- Those who are already knowledgeable in health sciences and medicine and are both compassionate and sensitive.
- Those who are eager to contribute to others' health and wellness.
- Those who are cooperative, open-minded, and able to work in a team setting.
- Those who wish to master the knowledge and techniques in the fields of health science, medical services, and social welfare.
- Those who wish to improve their research ability to contribute to the development of equipment, techniques, and educational programs.
